“ Great Great friend. Always willing to help out if you needed it. You may not know but he was the best slolum skier I ever saw. Loved to boat, camp, 4-wheel in the snow, and hangout and enjoy your company. Great person with a gentle heart. R.I.P. LW.

“ We went from riding bikes to school together to cruising around as teenagers in Larry's cars! I'll never forget the nights we cruised in that green Thunderbird that he eventually swapped for the black Cougar XR7, then the Bronco. Larry would say we need to blow the dust off the speakers and crank the volume until it rattled the doors on that Bronco! ARS "Large Time" was our anthem to start the night! But my favorite memory will always be his uncontrollable laughter before school, when he grabbed my knit cap and thru it to Spike, who then did zoomies around the house. By the time I got my cap back I had to clean all of the dog hair and slobber off, but Larry couldn't stop laughing. I'll never forget those memories!
