“ I will never forget the time Laura and I spent together. She expressed such kindness and patience when she taught me how to sew curtains for our bedroom. She barely knew me, and had so much on her plate, but she made me feel like she had no where else to be. She was a wonderful human being.

“ My deepest sympathies to Kelly, the girls and all of Laura's family. Laura was not just my coworker, she was a dear friend. We shared recipes, life hacks, and our love of reality TV, the more ridiculous the better. We talked about our family's, our love of homegrown tomatoes, and who had the best Kohls coupon for the month. I would ask her why she had flipflops on when it was 45 degrees outside. She would ask me why I had on long underwear. She was kind and loving. She is going to be missed by so many.

“ *I'm so sorry to hear this very sad news of Laura's passing. Though I only knew Laura about town, and a little bit through our daughters, she always had a smile on her face and she was a very kind person. It was evident her family was very important to her and they brought her so much joy. Her family and all who loved her are in my continued prayers. I know she will be missed very much.*
