“ *Deepest sympathy to Lucille and family. We were in a card club together and I have many fond memories of all the fun we had - I remember the fun times (and Lucille's famous fried chicken) more than the cards. Over half of our club is now gone, probably still playing cards together. Lenny was a great guy in so many ways and will be missed by all who knew him!*

“ Lennie and Lucille are distant relatives but, although many miles separated us, we kept in touch. I had many wonderful memories staying overnight with them while on my business trips. We played Euchre, drink (busch beer of course lol), ate, cheered on the Cardinals, went to the horse races (never won but had fun). They both made me feel like family when I was there. Lenny was a soft spoken, gentle man who always had a ready smile and laugh, he always put others first, was a good Christian and family man. Lucille and boys (Mike, Donnie, Joe), I know your loss is tremendous and your grief is sometimes overwhelming but find comfort in the beautiful memories that your husband and dad leaves you. He will forever live in our hearts, a piece of Lenny will always live in you and your children. May God grant you comfort and peace in these difficult times.

“ Leonard was a few years older than me, but I have many wonderful memories as a young boy. Many times I spent days with Uncle Bob and Aunt Annie in Pierron. I am glad Betty and I was able to spend time with Lenny and Lucille at our annual Cousins Reunion. Lucille I am so sorry for your loss. I am not going to be able to make the trip to Pierron for the Mass and Visitation but know that your are in our prayers.
