“ I remember Lindsey and Sue very well at the Logan Church of the Nazarene and I only heard of his passing through a friend at the Man Church of the Nazarene where Mother and I attend now who read his obituary in the Charleston Paper. We were sad to hear of his passing. We loved him so and so did our sweet daddy who passed ten years ago. I am taking care of Mother who is now 91 years old and she wants me to give you her regards. We love Sue very much and want her to know that we are praying for you during this difficult time.

“ *We are sending our love and prayers to Janet and the family! Lin's smile and love could light up the room! His faith and Love to serve God and the country has been inspirational. When we would see Lin and Janet at church and out in the community a conversation, a smile and a hug was surely shared. We lived in Highland for a short season but, the impact Lin has touched our lives forever! Blessings, love and prayers!
