“ *Cousin Lorna and I lost contact with one another when I moved out of state many years ago. But several years ago we reconnected, and now I especially treasure the correspondence we had during that time. Her notes, frequently including photos, always brought sunshine to my day as she lovingly wrote about her family. I could see her smile and hear her voice as I read each one. A special remembrance of her will remain in our family - a doily with our name crocheted in it. She was a blessing in the life of all who knew her. Warmest thoughts to her family from Judy Sherrell, daughter of Millard and Linda Reinacher*

“ Lorna, was always such a sweet lady. She made my unity candle and did my Mary Kay makeup on the day of my wedding. Next year we will celebrate our 25th wedding anniversary. I think we will light that candle when we renew our vows and to remember Lorna at the same time. You will be missed. Prayers to your special girls you have raised them well.

“ I remember all the many years that I had the pleasure of Bowling with Lorna. I also am so grateful for her many talents, especially her crochet work. When I moved to my new home on Deer Run she graciously crocheted me a table runner as a house warming gift with Deer grazing in a field. I will cherish this forever. Lorna will be missed by all whom she has touched throughout her life. Her families are in my prayers. God Bless you Lorna.
