“ We were not ready to say good bye so soon dear Friend, but we sure have many happy and fond memories of our time together. We are blessed that God helped our paths to cross.
We will remember you with love and know that you are free of all pain; and running around creating smiles and laughs for those in heaven. God welcomed you with open and loving arms and we know He will have His hands full trying to slow you down. Have no fear, we will stay in touch with Sheila and help her in the days ahead. And we still plan to complete some of those projects on your “to do” list. Rest in peace, Lynn!
