“ Mary and I were friends for over 60 years even though she was in Highland and I was in Minnesota. Many times when I had a sleep over at Mary's, we would eat those wonderful rum balls her mom made and of course as teenagers we were sure that we were getting tipsy and spent many a night giggling away. I loved her like a sister and some day hope to be reunited and giggling in heaven. We were also fired in high school as assistants in PE class for some elementary classes. Go figure.

“ *I remember breaking a glass in the kitchen horsing around with Sharyn while doing the dishes, and I was so sure I would get in trouble, but Aunt Mary just laughed at us and shook her head. She made us clean it up, though.*
