“ I have known the Lochman family for many years being from Troy myself. I recently saw her again at HHC whew she was a resident and I would stop and visit her each week when I was at the Care Center. She was always an inspiration and cheerful despite her illness. When I told her my maiden name (Metzger) she remembered my father. We had some nice chats about Troy and how it has changed. She will be missed, but her suffering is over and we all have the assurance that some day we will all be reunited again in our Heavenly home.

“ This was a truly beautiful person. She was always helping others without ever asking anything in return but love. She will always be remembered by me as full of life and vitality. Whenever you saw Mary, you were greeted with a smile. God bless her soul, may she rest in peace. Deepest sympathy to the family. Cindy and Emily Giger
