“ Thanks to our Alton High Class of 1969 group I had the opportunity to meet Mary (our class was so large we didn't know everyone!) and have enjoyed getting to know her over the years. Even though her health dealt her many challenges she always remained upbeat and loved getting together with us when she could. I'll miss her, we chatted back and forth on Facebook. Had planned on being there today, but won't be able to come. My prayers are with all of you, Mary was very special.
