“ *Mary and I led the transportation service for Triad for eleven years. I was not from the Triad community. She was able and willing to help me deal with the "local" norms that may have been part of the issue we were managing. We made several improvements in the service that she was key in there success. She always knew what to do when a personal touch was in order. A simple "I'm sorry" or "May I help you" when some one needed it. Words are not enough. However, Al, Karen and Ann, please know that I feel your pain. Hang in there. Jerry Barber*

“ *I will always remember Mary as a person who would help anyone in need. We spent a lot of time together at Triad basketball games and the Collinsville tournament. Any time we were together we had a good time. The one place I could always find her was at the ticket table at Triad games. Rest in peace Mary.*

“ I was surprised when I saw this announcement. I just saw Mary the other night at the girl's basketball game against CM as I was selling tickets. We exchanged greetings and Mary took her seat court side. I didn't know Mary well by any means but she was always friendly and polite toward me. I'm sorry for her family's loss. God Bless.

“ I worked at triad as a bus driver during the time mary was our secretary, she was a hard worker and knew just what to do when their was a kid on the wrong bus or a sub driver didn't know all the stops. We all depended on mary and was glad to hear her voice over the bus radio. So very sorry for your loss, hold on to all your memories. Love Deborah Rowe.

“ Mary, Mary, so many ticket duties. We had many talks and much laughter, too, always discussing family, friends, and co-workers. We had some great times. I was hoping to take a sewing class together one of these days. Life gets busy. God has taken your pain away. Take care old friend!
