“ *Mike was a kind person. He would help you with something if you asked. He had the most beautiful garden I have seen. He gave me plants that will remind me of him and all the great memories we shared. Now he is God's gardener and I will have to wait to see the touch he added to heaven.* ”

“ I will miss seeing your face light up when you laughed. Your laughter always brought a smile to my face.

The love you had for Katy was immeasurable and beautiful. The bond you had with Art and Joe was more than special.

A good and decent man has left to be with his Savior but will forever live in our hearts. Rest peacefully in the arms of Jesus. Love you Mike. Your favorite niece💕
