“ *We lived in a house across the alley from Homer and Colleen on Paris Street. Mike often came over to visit and we'd sit on the front porch and talk. It was always interesting during the Madison County Fair when the 4 Diamonds was used as a parking lot. Often people thought they could drive out on the north side of the lot to avoid the traffic...and we used to try to guess how many cars would end up in the ditch that night! It's not a very sentimental memory, but we always enjoyed watching the comings.....and especially, the goings.....at the Fair and chatting with Mike. Our deepest sympathy to all of Mike's family...we're never really ready to say goodbye to someone we love.*
