“ Mike and I shared many years together working in the elementary building, and in later years in the middle school. Proud to have called him my friend. My condolences to the family.

“ I have a lot of very fond childhood memories of time spent with my Highland cousins, especially Mike, as we were closest in age and boys. I recall evenings of hide-and-seek, digging up huge (at least to a six or seven year old) crawdads behind their house on Broadway St and listening to stories of trapping muskrats, raccoons, and mink during our visits from Lebanon. Mike and I usually got into a bit more mischief than the others it seemed and of course I remember seeing him after he was banged-up following an altercation between his bike and a car in front of their house. I biked more carefully after that. Reflecting back, it seemed that Mike always had a warm heart and he was especially kind to people and animals. We had drifted apart over the years (700 miles and "life" tends do that), but I will miss Mike. Vicki and Scott, I will pray for your comfort and healing. I will be making a donation to the HACSM in his memory.

“ Lived down the road from the Stueber family and spent a lot of time there. Mike was always a buddy and spent a lot of time with him over the last decade sharing stories at auctions. Will definitely miss him coming to the flea market and sitting at our booths. Will miss you Mike! Prayers to your family!

“ Mike,
Sorry to hear of your passing. You remember that your big brother, Terry, and I were pretty inseparable for years in Highland during Jr. High and High School until we all graduated and went our own separate ways. You were around a lot. I didn't have a brother like Terry had you, and I always thought you both were lucky to have each other.

Saying goodbye to you now, my good man.
