“ *Will always have our growing up years together and our family get together times. We shared many fun times and as family grew we all stayed in touch somehow. He had a rough few years but God let us keep him as long as he knew Mike wanted to stay. God bless this super cousin and we'll miss you a lot. RIP I'm deeply saddened I can't be there for the final goodbye but love ya*

“ I always remember Mike as friend who anyone would enjoy having. Many stories from the days of St. Paul High School, and our days back and forth from Highland and Collinsville. Leroy had the station in St. Jacob and my father had the parts store in Collinsville, so we had both personal and business connections. To all the family members we can only ask for some level of comfort as time passes. I'm glad he was a part of my life!! Sincerely John & Katie Frerker (Class of 1967 St.Paul High School)
