“ *Muriece was our neighbor on Zschokke St in Highland for many years. But my best memory was when and how she took such wonderful care of my Dad, Cliff Dicus at Highland Home. She was a definite sweetheart and made my Dad's stay there special in many ways. I knew I had nothing to worry about with Muriece in charge. She shared many stories with my Dad which is something he enjoyed. So Thank You Muriece for being you. RIP. Brenda Kay (Dicus) Wernle.*

“ Muriece was the first person to allow my dog into her facility (Highland Home) and she called other facility managers to come see what this therapy dog could do. From that, my dog Patriot expanded to all facilities in the area and had over 500 visits during his career. She also supported Patriot’s protégée Spirit. So as a result of her support, my therapy dogs have reached and impacted thousands of lives positively. Thanks Muriece!
