“ *Ned was a great guy and good friend. He will be missed by many. I'm sorry I wasn't there but I just found out that Ned has left us. We were in scouts together, our families spent a lot of time together, we played football and we were both Vietnam Vets. One of my biggest memories of Ned was at Camp Sunnen when we did our Order of the Arrow "ordeal". We were taken out in the woods with just a sleeping bag and were posted in a spot alone to spend the night till they returned next morning to retrieve us. We were not to talk to each other or anyone or we would be dismissed. Big problem, Ned was on crutches from a football injury and had to do all the hiking on his crutches. They did drop the two of us within sight just in case he needed help. But he made that night and the whole weekend on his crutches and passed the test. I will miss him and truly regret we haven't seen each other in years. God bless him and his family.*

“ *I cherish the memories of Ned & his family when we were kids. I lived across the road on Walnut Street in 1957/58. My Dad was very sick & Willis & Betty let me stay with them much of the time while my Mom spent time working & caring for my Dad. Ned and I had a nice visit last summer, remembering the fun we had as kids. May you rest in peace my friend.* *Ken Etcheson*
