“ *It's been a week without you and I still can't believe you're gone. I miss your friendship, the laughter we shared, and all the special moments we had together in BANJ. Your special gift to make us laugh even when things seemed grim was rare indeed. You will hold a special place in my heart for the rest of my life. Perhaps one day when we meet again some of this will make sense, for now I grieve the loss of my special, beautiful friend. Ru will always be in my thoughts and prayers for I know my loss does not begin to approach the one she feels. Rest in peace.*

“ *Neysia, we never know what's in a smile or the wave of a hand of one passing by; a chance encounter, a greeting lightly given as hello in a flash becomes good-bye. I've seen your tears of sadness and I've witnessed your pain through the ebbs and flows of life. I too have witnessed your mending amid the bending of lifes many tides breaking forth with a smile so bright that to all around it brought delight. Today its time for me to gather with others to bid you farewell and on this day as we stand with RU, it will the love you two shared that leaves its marked etched into my heart. Farewell dear one.*
