“ Dear Sutton Family,

Colin, Michael and I were so saddened by the sudden death of Nick. His name and face brought back childhood memories of being together for various activities. I remember dropping Colin off at your house on Bur Oak. He was so young! Colin remembers working with him at Ponderosa. Know that you are in our prayers.

“ Nick was a close friend of our son, Frank Walsh. They worked together at the casino. Nick loved my pasta and meatballs and homemade pizza. One night, he ate more than a dozen meatballs, a pound of pasta and couldn't move until the next day. He always slept over and we would stay up late talking and laughing. He was a groomsman in Frank's wedding and he danced several dances with me that night. I love Nick, like he was my own and I will never forget that beautiful smile. He is one of a kind and I know he has earned his wings. Miss you big guy! Take care and save room for all of us.
