*Lexi and Kristopher - you have deepest sympathy. This was very sad news to hear. Know that your Mom loved you both more than any mother could!! We at GC services got to hear all the stories as you grew up. God has called her to her eternal home. Focus on all the fun memories. May you find some peace in knowing so many people loved your Mom help to ease the pain.
You and your Grandma Judy or in our prayers.*

I am so sorry for the loss of this woman. I saw her almost every day, and we always shared a joke, a smile, or caught up on where we were in life.

To Nicole's kids and little stinker: Nicole's every breath and thought and working hours were spent raising herself to make a better life for all of you. She worked so hard and loved you so, so much.

*I will miss her.
Blessed be
linn*
