“ Since Udell's passing there has been a void at the St. Clair Beekeepers' meetings. Now with Norma's passing it is the end of an era. All her efforts for the group were greatly appreciated. I'm honored to have known the Meyers and will deeply miss them. Deepest sympathy to the family. Ken Schaefer

“ I will always remember both you and Udell for your unlimited devotion to the beekeeping world and for being a part of that generation of true beekeepers that unfortunately grows ever smaller with each passing day. There will now be a special dedication to both Norma and Udell in my book. You will truly be missed.”

“ Norma,

I always marvelled at your strength, and contagious joy. Also your courage to be honest, and your sense of humor. Your generosity with the tireless hosting of beekeepers meetings will never "bee" forgotten. You were a rare kind of wonderful woman. I'm so glad I got to know you, and I will miss you terribly.

Be at peace in heaven with Udell. Prayers and comfort be with your family.
