“Gloria & Vivian, I am sorry to hear of your Mother's passing. I was telling Bill about our many times together. I remember Dad telling the story of your Dad walking across a local river banging stones together to chase the fish into the nets. Odd thing was that your Dad didn't know how to swim! Then, our Mom's would get the rest of the food together and all would enjoy a delicious fish fry! What fun times! Please extend our condolences to your families and friends. Hugs and Love to your family, Bill & Betty (Ramach) Ewen
