“ *Orville and his sons have been a tremendous help to us in taking care of the family farm. Orville helped our dad many times over the years. We enjoyed his visits to the farm. He always had a big smile for all of us and teased us whenever he could. Orville is great man and we will miss him. Our hearts and prayers go out to his family. God bless you!*

“ *Our deepest sympathy to this sweet family. The first memory I have of Orville and Dottie was at 9th Street Cafe. It was packed and my husband and I were waiting for a table. Orville looked up and waved us over and asked if we'd like to share their table. What a sweet gesture. We sat and talked with them over breakfast and quickly figured out we knew their daughter, Debbie, and son in law, Tracy. It all made sense then that they too are such kind people. Our thoughts and prayers are with your family and may you find comfort in knowing that this wonderful man is now with our Lord.*

“ *My thoughts and prayers for you and the family and friends. It's always hard to lose someone much less during holiday season. But we all have to remember Orville's wonderful personality, smiles, and kindness. Always enjoyed seeing him smiling behind the counters at the stores or the bowling alley. God Bless for strength to get thru.
