“ *Pat was my Cube mate until April of this year. I miss her so much. We thought alike on many things & had a lot of Inside/private jokes that made the workday fun. I wish I could have known her much much longer. We talked about our families a lot. She spoke about Nick with so much love and pride. And we enjoyed being Cardinals fans. My prayers are with her family as they were with her.*

“ *I remember many years of boating with the gang - Mark and Marilyn, Tony and Pat, Karen and Mike, Mark and Sheryl, and many others. My first memory that makes me laugh is playing a game called "One Brown Bear". I'll leave it at that, but Pat was always very specific in saying her words exactly! I will always miss her smile and more recently, her Facebook posts. Debi Ralston*

“ Pat was a valued and treasured member of the Military Surface Deployment and Distribution Command's Accounts Payable Branch. She was a fighter and tackled everything given to and placed upon her with a "can do" attitude. I'll miss Pat and the optimism she demonstrated through her actions each and every day. May she rest in peace eternally.

Tony, Nick, Pat's parents, her brothers, and other family members - May you find comfort in the many happy memories and moments you shared with Pat throughout her life. May the Lord be with you and guide you through this difficult time.
