“ Patricia was loved by the staff at Liberty Village and kept us entertained! I remember for nurses week we had fried chicken and she smelled it from her room and told us she wanted some fried chicken. We got her a piece and she told us it was very good. Steve was here every night with his Mom and the staff saw how much he loved his Mom and wanted her to have the best care. I genuinely loved taking care of her. Pat that's what I called her will be missed dearly. Heaven has another angel now! Love always, Nancy Keen
