“ Dear Hal & Family: Lynn and I send our deepest sympathies. Despite her physical limitations, she was certainly an example of a positive and a “quit feeling sorry for me” individual. When I had the privilege of assisting her with physical symptoms, she would often remind as we moved her about on treatment tables, “come on, your not gonna break me”. She often had kind and humorous comments for all and she was an angel for listening to your jokes Hal! Sending warm hugs for all. Jim & Lynn Rehberger
