“ My husband, Ted Christner, worked with Ralph Korte professionally over many years and came to deeply value the friendship that developed between them. Ted respected Ralph for his values and his integrity in addition to the quality of work he and his company always delivered. Ted will be meeting up with Ralph again in the very near future and I know they will have a wonderful time sharing their memories and experiences together.

“ I lived in Highland 23 years. I always admired Ralph Korte for becoming a pillar of the community. He did not have a well-to-do beginning, but he became very successful due to his hard work and love for his town. His church and his family. May he rest in eternal peace

“ Ralph was a mentor to me. Even though we were close to the same age he guided me through the transition of being a subcontractor to being a general contractor. With his guidance we started the first Korte expansion into St Louis and a few years later to Austin Texas. I will be forever grateful to him for helping me in my journey in the construction business. My best wishes go out to Donna and the family. Rest in peace Ralph.

“ *Ralph was a mentor of mine for many years. We would meet in Highland. After Korte HQ was moved to Union Station he loved Lombardo's. Ralph made a huge impact on Highland, SIU-E and more. His legacy continues. I am grateful to have him guide me for many years. I learned a lot from him. More important is the friendship we developed. Thanks Ralph Bill Ziercher*

“ I am saddened to hear the loss of beloved Ralph and my deepest sympathies to Donna, Todd and Ralph's many many loved ones. First connected with him 40 years ago before our many years in YPO together and asked him to sponsor an event for St. Louis Ambassadors. Absolutely he said--such a giver. Blessed to have time with him in Naples as well as 2 phone calls in the last 3 months. he will be missed and certainly in the Lord's Hands. God Bless you Ralph. RIP

“ Plain and simple, Mr. Ralph Korte made an indelible positive mark on my life. 30 years ago, he sponsored me into the Young Presidents Organization (YPO). I was on the fence with joining, due to the time commitment. Among many other words of wisdom, Mr. Korte said to me, “Paul, do not miss this opportunity, YPO will change your life”. Boy oh boy was he right! I've learned so much and made so many wonderful and dear friends (including his son Todd). I am so thankful for Mr. Korte's energy, wisdom and friendship over the years. His contributions to our shared Alma Mater SIU-E will continue on for generations. Rest in peace, sir, heaven just got even better. With a heavy heart. Paul Galeski
