“ *What a woman! So many have shared great stories and memories! She was one of a kind! There will be less laughter now! She was so funny! I loved to hear her laugh! Reva was always ready to help anyone in need. She will be greatly missed! I am sorry we had not spoken in a couple of years. I did not know she was battling this illness. My sincere condolences!*

“ A co-worker and family friend who gave us so many memories. The press department at B-Line was a lot of fun to work in with her and all the others there. Experiences that were life lessons. She will definitely be remembered.
