“ *Bob taught me how to keep score at my first Cardinal game many years ago. Our last game was August 3 2914. He taught me how to play card bowling. He was always happy and caring. He had a heart that was as big as all outdoors. I will miss you and remember you. You were taken too soon, but didn't deserve to suffer. When I hear thunder, I will know that you are bowling and will smile! You left on a lightening bolt and will continue to light my life as I remember our good times.*

*Bob was one of my best friends older brother. He always seemed glad to see me whenever we ran into each other around town or at Walmart. What I remember most about him...he was quiet and smiled a lot! R.I.P Bob! Patrick Austin; Alhambra, IL 08/22/2014*
