“ Dad,
It is hard to put into words how much you meant to me and how much you were loved. You were the greatest dad any girl could want. I hope you knew how much I respected and loved you. You taught me so many things about life and how to treat people. You had an incredible skill at giving advice but not being "preachy". You were truly a family man. You and mom raised a family, who was always there for each other and who will continue to be there for each other. This is truly a result of us modeling what we were taught by you, that if you care for and respect people they will care for and respect you. I love you dad. You will always be in my heart. May you rest in peace. You truly deserve it.
