“ Many years ago, I don't even know how many, my dad got his bulldozer stuck while crossing a creek out near Russ's house. For 2 days people worked to get it unstuck. Russ and I sat together and talked, sharing a beer and watching the action. I think we were in Junior High. Ever since that time Russ was my friend, even though we didn't really run in the same circles at school.

I'm glad I saw him at a class reunion a few years ago. A huge grin immediately sprang to my face as I said "Hi" and remembered those days long ago.

I'll miss you, dear friend.

“ Marsha, Beth, and Alice
My deepest condolences. I've known Russ for most of my life. We went to Sunday School and through grades K-12 together and I worked with him at school. What a kind, genuine and gentle man. His laugh is something I will always remember about him. May your memories of this wonderful man give you peace.

“ Dear Marsha, how sad I am to hear of Russell's passing. You both are a very special couple to me. You fit right into the Johnnessee clan and what fun you had! Dad had many happy memories of time spent together and all the trips you took, with Nancy and Kenny, to here, there and everywhere! I loved the story about you all spending the night in the car because you couldn't get a room? In Minnesota I think. Lots of eating great food and lots of laughter! Sending hugs and prayers for you, Beth, Alice and the whole family.
