“ Ryan was a big part of my family. He became friends with my
brother and was over all the time. He was like another son to my
mom. He was over all the time and he was like a younger brother!
When my mom passed away in 2004 he was just as sad as my
brother and I and was there for us! This news of him passing broke
my heart! I too had so many memories come flooding all at once! I
haven't seen him in awhile but will always remember him as my little
bro! My prayers go out to his family!
Much Love, Jenn Iberg

“ *I was so very sad to see this. I was Ryan's teacher in 7th grade at the middle school. I always really liked him. He was a fun kid and had a great sense of humor. I don't know if he remembered me, but once I have a student, they become part of my history. As soon as this came up on facebook, I immediately recognized him and memories came flooding in. I'm so very sorry to hear this and send my deepest condolences to his mom, dad, and brother. Prayers of comfort for all of you.*

“ I have to post one special memory we both laughed about thru the years! Ryan was in Keyesport with my son James and told me he knew how to ride a dirt bike! He did, right thru the back wall of our shed! I think he was about ten! He knew how to ride, but did not know how to STOP!
