“ *Sheila was my friend.. she called me her Little Sister. I loved the way she loved her family and how they loved her. Her love for her animals (kitty cats) was part of who she was. She was a quiet, peaceful and lovely soul. She will be missed. My words cannot really express how I feel but I just want to say that I will miss her. Sheila is in Heaven and the Arms of the Angels . Rest in Peace. Will always love you..*

“ We grew up with Sheila. She had a deep and constant love for the Church, her choir, her many other friends, and her pets. She possessed great inner strength, a subtle sense of humor, and a quiet laugh.

Sheila found great joy and friendship, particularly in the last years of her life. In many conversations, she expressed her gratitude to family in Highland, especially the late Edwin & Elaine Frisse, our sister Sue, and her family. They made a big difference.

Sheila was a quiet angel throughout her life. Now in God's Presence she will again be reunited with her parents and the many other friends and family who are waiting for her.

God Bless, Sheila. We love you.

“ *Sheila and I were in St. Paul Choir together for many many years. She was always dedicated to practice times and to singing each Sunday when we were scheduled. When the choir went on "road trips" to sing at other parishes, she always went along. For the last few years, Sheila had been one of the two music librarians for the choir. Thank you for your service to the choir, Sheila....may you rest in peace.*
