“ I'm so sorry for your loss. Stan was so special to me and my girls. We have been neighbors for over 20 years. We have so many wonderful memories of Stan and Karen. Stan helped me so much with so many issues around the farm, he was so willing to help and offer a hand. My daughter loved sharing and bringing him pies and cookies over the holidays. Heaven gained a good one and I will miss him so much. I'm so sorry I missed his funeral. Laura, Rachel and Shannon Dods.

“ We are so very sorry for your loss. I've known Stan for many years. Always a very nice, and kind gentleman. A wonderful friend and neighbor to my parents and also me. My daughter Amy only got to know him for a few months. What a blessing he was in her life. She looked so forward to getting to spend time with him. He is going to be Greatly Missed. He's now at peace resting in Gods arms. With love and sympathy,

“ I was named after two of my uncles, Robert and Stanley. My parents decided to call me Robert (or Bobby when I wasn't in trouble). However, when I was about nine I decided that I wanted to be called Stan, like “ my cool uncle”. Long story short, I found out that the name change didn't make me cool like my uncle Stan. Before long I was back to being just Bobby and grew up blessed with all the memories I have of playing with my cousins, Donnie, Darren, Barry and my cool uncle Stan!
