The tribute video brought a smile to my face. I ran into your Dad in June at the doctor's office and had a quick visit. Your Dad was always a smiling and fun man that was a great father and all round good guy. So very sorry for your loss. Mary Ann (Gould) Plofkin

“ I lived in Trenton, a couple houses down from the Cryder family on Main Street in the late 60's. While Jane and Lois were my friends, Steve was closer in age to our sister. But, what I do remember about Steve is that he always had a smile on his face and was a happy guy with a big toothy grin. I truly appreciated the visit our family received from the three of them when my mother, Elva Ranz, passed away. I am so sorry for your loss and I send my sincere condolences to the entire Cryder family.

“ Steve's presence was somehow both remarkably intimidating and incredibly welcoming. I think that's the sign of a great dad. I'll miss chatting with him in the hot tub and him yelling "JEANNAAAA!" every time I was at his house. My condolences to Jeanna, Jay, Jill, Joel and Justin.

“ *I grew up with Steven and his family in Trenton Illinois during the 50's & 60's. We attended Wesclin together, played school basketball together, and attended Westgate Baptist Church together. Steven was a good friend, a strong Christian example, and a determined advocate for whatever or whomever he was supporting at the time. I know his family will miss him terribly; but, please take comfort in knowing that Steven is now rejoicing in heaven!*

Deepest Sympathies to Steve's family and friends. As a classmate of Steve's he always was a caring person and there to help whenever he was needed. My last visit was when him and Jane were driving back to Highland together in his RV and came through New Mexico. I got to have lunch and a quick visit. He lived his life to the fullest and will be deeply missed. RIP Steve...I am sure you and Debra are holding each other again.
