“ *Aunt Tamie was always a caring and loving woman, she loved the chaos of life (even after raising Shaun) I say that with love, but she always made every crazy situation feel like it would all be perfectly fine. Words can't describe the love I have for my great aunt. So many memory's that will forever fill my heart, and I can't be more grateful. Thank you for being a fantastic crazy loving mother and aunt. Life without you will definitely leave a void for all the little ones (and me) getting chased around on Christmas. I miss and love you.*

“ TAMMY WAS MY FIRST FRIEND .we would go to see grandma and grandpa but we always stayed at Aunt mo and uncle Bills. Tammy had great talent and she drew models with fancy dresses.I always thought that she would be a fashion designer. HOWEVER SHE HAD ONE TOY THAT WE BOTH ENGOYED.IT WAS HER LIGHT BRIGHT.we played with that forever.Every time I see one of those I go back to my childhood friend and smile. Tammy always had a smile on her face.She was my light bright .She always had neat things to say and she will be in my heart forever.

“ Tami gifted me a pencil drawing of my office that we hung at various locations in the office for years. I still have her drawing as a remembrance of the building in which I practiced. But it will always be to me a wonderful reminder of a great lady who had a special spark of life about her that was contagious.

Please accept my sincerest sympathy for your loss of Tami.

“ Tami and I had many good times hanging out in our younger days. She was a talented artist even then. One of my prized possessions was a tee she hand-painted of the the KC and the Sunshine Band album cover. She was a fun, caring friend. RIP Tami. Prayers to the family.

“ I almost always had a racing buddy in the stands when I found time to go. This was Aunt Tamie. Whether it was cheering on the drivers we liked , laughing at something odd or silly that happened on track or expressing the displeasure of a bad circumstance; I will remember those times and always smile.
