“ *To the family of Mr. Lancey,
My thoughts and prayers are with you and your family on your loss. In these past few months I had the great pleasure to get to know Terry and his daughter, Suzie, in the wound clinic. His weekly visits were enjoyable as we talked and laughed while I wrapped his legs, learning about him and his family, but discovering that I knew and worked many years with a member of his family, his daughter-in-law, Donna. Again, so sorry about your loss.

“ My three children rode Terry's bus throughout their school days. He was such a great school bus driver, well respected and loved by the kids. Bus 52 has never been the same since he retired. He was a 'one in a million' guy! I never saw him that he didn't smile and greet you in his friendly style. Our sincere condolences to the entire family. Our prayers are with you....From the Mae Jacober family, Bryan (Lori), Crista (Phil) and Brent (Christy)

“ Words cannot express how heavy our hearts are as we heard the news. We will miss Terry very much. Our hearts and prayers are with Virginia, Kelly, Suzy and the rest of the Lancey family. He was the best neighbor anyone could have. He smiled every time Quinton would see him emerge from his back door and holler " HI TERRY!" , and he always waved back. Sometimes three to four times a day. He was a great, gentle, kind man, who now lives in our hearts. He will be missed greatly by a little boy who grew up with him since birth, seeing him as the greatest neighbor on earth, who he could sit with and who would talk to him any time he could. His gentleness and kindness will last forever in all of our hearts. We love you TERRY! GOD BLESS!

“ On the way home on every last day of school Terry would take all of us kids to Dairy Queen for a treat. As we would step off good old Bus 52 he would hand each of us a wooden token for a free ice cream or sundae. A very kind gesture from a great man. Best bus driver ever. -Kyle Wieter

“ TO Mrs Lancey and family,
Our thoughts and prayers are with you and the family on your loss. Terry was such a wonderful person, he always took such great care of Aimee on the bus and always (even years later) would ask about her or talk with her when he'd see her. He was always special to her. Everyone will truly miss his great smile and best of all his laughter. God Bless you all.
