“ Mrs Herderhorst, We don't know each other yet but this is Robert and Brenda Boyer and we live at the end of the cul-de-sac on Autumn lane. We are both so very sorry for your loss. We got brief information during the parade out front of your home, but didn't know how bad it was. Sorry we never stopped by after you moved in, I'll blame that on Covid. We'll stop by some day after this is over.

“ Trevor showed up to our Hands on Engine Class at FDIC in April of 2019. I was thinking what are you doing here and I quickly realized how much he loved the Job. It was his calling. I took this picture and you can just see it in his smile. Later in December of 2019 Trevor came and welcomed Firefighters when they arrived for HROC from all over the US at the airport. HE TRULY loved the job and his fellow brothers. He lived it. Thanks Brother Trevor for Loving the Job so much and giving so much. You lived Life.
