Mike, Pat, and Marla, we are so very sorry for the loss of your Dad. I loved his birdhouses and still have one. He was so kind to me as well as my family and Parents, and we would always chat when we were all together. Our Dad didn't care for too many men we he got older, but he always liked Vince! Thinking about you all and praying you find peace knowing he is happy to be with your Mom and God. We are thankful and honored to have known him, and appreciate his service to our country! Love ❤️ Doreen and family.

“ *Joan and Vince were surrogate grandparents to Samuel whose biological grandparents were half the country away. They always had time for Samuel and were always so proud of him. They were great neighbors who made Matt and me feel cared for as well. We miss Joan and will miss Vince. Our thoughts and prayers are with you during this difficult time.
