“ *Viola was an amazing woman! I was her nurse several years back and enjoyed each and every moment that I was able to spend with her. She encouraged me to be more than I was and for that I am eternally grateful. She often asked me why she was living so long, what was her purpose, I told her sometimes we never know what our purpose is, but we all have one...I was one of her purposes!!! She will be forever in my heart!*
