“ I'm met Mike when I was only 13 years old. I used to stay at his house on weekends with his family. And soon after I became a part of that family. With Mike calling me his daughter. Mike loved his family and was a hard worker.

Susan, Sherry, Scott and little Mike, I would like to express my love and send it to you. It's hard to lose your dad I know it firsthand.

Always remember the things he taught you stay in your heart. And Susan this is a very difficult time and I know that there's a hole in your heart. May God comfort you all I love you.
